**Prayer Concerns:**

Prayers for those making decisions about schools and other organizations.

Continued for Rachel and the loss of her brother.

Prayers for our government and elected officials. May God give them wisdom and guidance as they make decisions regarding COVID-19, and all of the tension and unrest in our nation.

Prayers for our shut-ins and others unable to worship with us in person.

Prayers for all those effected by the coronavirus, those who are sick, those who have lost loved ones, especially those who are the front lines.
