**Our Church Family**

**Lee Neymeyer** is in Grundy (room 101). He has some infection but it is under control. There is some improvement in the movement of his left arm. At this time, due to infection, they are not planning on hip surgery any time soon. He is walking some and welcomes visitors.

**Betty Riebkes** is also in the hospital (Iowa Falls) fighting an infection. She feels well and can have visitors, but due to infection, visitors might have to wear gloves and a gown, wash hands before going into her room and again when they walk out of the room. Her spirits are good.
