Next Sunday morning, Pastor Jack Ritsema will preach because Pastor Frank will be at First Wellsburg CRC to install Rev. Steve Mulder. Pastor Frank will be back in Austinville for the PM service.

Our special offering will be for Dordt College. Next week our special offering will be for Timothy Christian School.

Our Sunday School Offering all month is for the Student Connection. Our annual goal is \$3,000. Last week's offering came to \$822. It is not too late to help us meet our goal. Make your checks out to Austinville CRC with Student Connection on the memo line and place in the Sunday school offering basket downstairs or place in the offering plate during either service.

YOUTH SUNDAY and POTLUCK next week – We will honor our high school graduates during the morning service. There will be a softball game before the potluck meal.

Pastor Frank and Betty are on vacation through June 12. Please contact an elder if a concern arises before then.

Advance Notice: We will be having a **visit from a potential minister on Sunday, June 24.** Mr. Gale Tien will be preaching for us during the morning service and you will have the opportunity to meet him during the coffee time following that service. The search committee strongly encourages you to be there on that Sunday if you are able.

Church cleaning should be completed as soon as possible. Please check the schedule on the bulletin board and make arrangements to get together with your group.

Festival of Praise Fantastique will be TODAY at 2 PM at the Parkersburg United Methodist Church. It will feature piano duets played by Anna Mae Schnucker and Amy Truax. They will be assisted by Pam Hart, Susan Sivola, Aaron Ellermann, Stan Thompson and Grant Truax. Refreshments will follow the performance.

Farmers and Gardeners: The Student Connection is looking for people to grow pumpkins, gourds, and squash for Stuco's annual pumpkin sale. If you have extra space in a garden or field, call Sandy Ubben at 319-215-6961 for seeds in the next few days. Plant, water, weed and harvest. Then place your produce on the flat rack at the Stuco building toward the end of September or contact a Stuco board member to help you harvest.
